September 30, 2018

The 2017 Tax Cuts and Jobs Act reduced federal income tax rates effective January 1, 2018.

To meet these new tax requirements, this will be in effect for all customer classes in the Sahuarita Water Company LLC's (SWC) service area. SWC will pass income tax savings from the Tax Act to its ratepayers by adding monthly bill credits and one-time bill credit beginning with the first billing cycle in October 2018.
